Mon, 16 May 2016 23:59:00 GMT - So the rule is never offer to Split the Difference, but always encourage the other person to offer to Split the Difference. Key points to remember: 1. Don't fall into the trap of thinking that splitting the difference is the fair thing to do. 2. Splitting the difference doesn't mean down the middle because you can do it more than once. 3. Never offer to split the difference yourself; instead encourage the other person to offer to split the difference.
