Category:Sex positions - Wikipedia -

Sun, 17 Jun 2018 00:56:00 GMT - A sex position is a position of the body that an individual or couple people may use for sexual intercourse or other sexual activities. Sexual acts are generally described by the positions the participants adopt in order to perform those acts. Though sexual intercourse generally involves penetration of the body of one person by another, sex positions commonly involve penetrative or non ...
