From seasoning to cooking â€œ hereâ€™s how to use a cast iron ...

Fri, 08 Jun 2018 23:11:00 GMT - I use a metal spatula in my cast iron skillet every day. My main skillet has never been stripped and re-seasoned, and the cooking surface has been IMPROVED by using a metal spatula on it. The right spatula will lower the high spots in the natural texture of cast iron (left by the sand mold it was cast in), resulting in a smoother cooking ...

Is it always better to use a metal spatula in a cast-iron ... -

- 38. Skillet Fry Pan " Cast iron, metal or glass pan with low sides and a handle used for broiling foods or cooking in a small amount of fat.
